

Advance Scrubber Parts

Think about how tiresome it would be to tidy up your house after throwing a large party, with no aid from cleaning equipment. Before, when carpets and upholstery had the dirt beat out of them by hand; cleaning cloths, brushes and brooms were the leading cleaning supplies back then.

P.A. Fisker, the man who established Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Founding the company in the year 1906, he started to produce motors in order to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the start was to own a worldwide business marketing merchandise worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by one individual. This invention came in a time where many cleaning equipment were massive and needed at least 4 operators, hence, the Nilfisk C1 changed everything and evolved the way we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning equipment offer a brilliant solution to an ongoing crisis; stuff get filthy and have to be cleaned on a regular basis, without too much effort.

Slowly but progressively, Nilfisk-Advance grew through the decades. In the nineteen eighties, this growth truly occurred when the company became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap forward within the trade, aspiring to be among the leading universal players in the market of professional cleaning machines. Nilfisk-Advance is presently represented in all parts of the globe due to steadily acquiring a lot of small companies in order to develop their product range and presence in new markets. They are really proud to offer different cleaning solutions to fit every requirement.
